January 15, 2010
Volume 1, Issue 16

CCI Jamaica wishes all camp staff/leaders, supporters and campers a blessed 2010.

March 20 – CCIJ's Annual General Meeting.

Location and particulars will be communicated in our next e-news. Representatives from every member camp and organization are expected at this meeting.

Training will be provided during a one-hour workshop. Look out for details and plan to make use of the opportunity to meet with fellow camp folk.

Membership /Fees

Annual membership fees are now due and info and invoices are on their way. CCIJ needs these funds to run the Association and we encourage all members to respond within the month of January.

Board and staffing

The Board of CCIJ has continued to meet on a monthly base and also spent a full day in September reviewing and praying for the ministry. Due to financial constraints CCIJ has had to function without an administrator for the past 3 months. However, we are trusting the Lord for a solution to be implemented within a month.

Prayer Requests

- New Board members to become available to serve for the next 3 years.
- Added income to cover CCIJ's operational costs
- New hope and vision to permeate all involved in planning for Summer camps and to make use of the God-given opportunities available to us!
- Preparations for AGM and Training session on March 20
- A revival amongst children and young people in Jamaica!

Two new kind of camps

New Generation's TRUS' Camp

New Generation Camp in St. Ann developed a 4 day adventure & experiential camp program for at-risk teens, held in April. 25 students from Trench Town's Operation Restoration School benefitted and the camp was led by a strong team of persons from 3 organizations, Fusion (active in various inner-city communities), Whole Life Sports and New Generation.

New Generation's research and documentation of this pilot gives them a good base for offering this camp to groups that are already working with this target group.

TRUS' camp hike

Skate Camp at Moorlands

Moorland's Skate Camp

Moorlands had its first skate (boarding) camp in December, lasting 6 days and catering to 30 participants ages 9 – 16. The children came from the nearby community as well as Kingston and Buff Bay. Overseas specialized staff joined with Moorlands' and the camp saw a unique development with diversity, integration and community impact.

A Word of Encouragement

God has not changed. He remains faithful, King, Lord, sovereign. Never before has Christian Camping in Jamaica had such an openness and growth opportunity as 'today'. Lift up your eyes and see the salvation of the LORD!
